Request for Waiver from ACH payments
2020-2021 Academic Year**

Dear Mr. Dodd:

This letter formally requests that I make Tuition payments in a different manner than the required ACH per my contract. I plan on making regular, on time tuition payments in the following manner:

_____ Cash

_____ Check

_____ Credit Card

Please explain the reasoning your request. Please be as specific as possible.

I understand the failure to make timely payments may make this agreement null and void.
